My Resume Builder is a free resume builder app that helps you create a modern and professional resume and curriculum vitae or CV on your mobile in just 3 simple steps.

Using our One-Click LinkedIn Resume feature, You can convert your complete LinkedIn profile to a resume.

With more than 20+ resume templates and 15 color and font combinations, you can have 300+ resume designs. You can craft a professional resume that perfectly aligns with your skill, personality, and career goals.

Design your resume according to the latest 2023 and 2024 trends, which will help you get more job offers. Our professional resume templates are compatible with India and other countries, such as the United States, Europe, Canada, Brazil, etc.

You can customize your resume with several niche features with a toggle switch. Our Resume Maker includes e-signatures and publications. You can also choose your section titles, help and examples in every section, pre-defined skills and phrases, and more.

Our free CV maker app effortlessly creates single- or multi-page resumes, providing a live preview of your design. With one click, you can download or share your resume in PDF format on multiple social media platforms like WhatsApp, Facebook, LinkedIn, iMessage, and Google Drive.
